Discord is a woke company. They'll cut you off, like they have done to many militias

That's cool, I'm totally not against it! I'm really glad to see this. We need to organize by state, and then by location within a state. Many groups have been organized already, but this is how it starts

Use your phone as a walkie talkie sort of. Internet not required.

Gotenna / gotenna mesh will be the way to go.

Beartooth is another one. I bought one years ago but it's bugging out. Not sure if is because it's old or what.
